HPE Proliant Blade/ML/DL/SL Service and Solution Qualification

HPE StorageWorks EVA Family Service and Solution Qualification

Veeam VMTSP Certificate

#### İLGİ ALANLARI:

İletişim, Teknoloji,

#### GERÇEKLEŞTİRİLEN PROJELER

##### Çalışma Süreçlerimde yönetim ve işleyiş sürecinde bulunduğum projeler;

MedicalPark Hospital Group (Medical Park, VM Medical Park, Liv Hospital, MLP Care) – 31 Hospitals

- Wired & Wireless Network
- Enterprise Server & Storage Systems
- IT Security
- End User Equipments
- Domain, Exchange, Data Backup etc.
- Call Center Project
- Consulting and Technical Support

Medipol Üniversitesi ve Hastanesi

- System & Network Improvements and Support Project
- Call Center Project

İstanbul Üniversitesi Hastaneleri (Cerrahpaşa, Isuzem)

- Network Infrastructure Support project
- System Project
- IT Security
- Call Center Project
- Veeam Backup & Recovery Project
- Microsoft Exchange Server Project
- Blade & Storage System Project

Adli Tıp Kurumu

- Veeam Backup & Recovery Project

Gebze Teknik Üniversitesi

- Whole IT and Infrastructure needs  
(System, Installation and Configuration Services etc.)

Erdem Hastanesi

- Call Center Project
- Consulting and Technical Support
- Whole IT and Infrastructure needs

(System, Network, IT Security, End User Equipments, Installation and Configuration Services etc.)

Hayat Holding

Server & Blade Server Installation and Upgrade Services Project

Kolan Hospital

IT Security

Can Holding

Security Project

Mira Transport

Whole IT and Infrastructure needs

(System, Network, IT Security, End User Equipments, Installation and Configuration Services etc.)

Ekol Denizcilik Okulları

Whole IT and Infrastructure needs

(System, Network, IT Security, End User Equipments, Installation and Configuration Services etc.)

Sabahattin Zaim Üniversitesi

Linux,Windows System Project

Hospitadent Ağız ve Diş Hastanesi

Call Center Project

Consulting and Technical Support

Whole IT and Infrastructure needs

(System, Network, IT Security, End User Equipments, Installation and Configuration Services etc.)

Anadolu Hastaneleri Grubu

Call Center Project

Consulting and Technical Support

Whole IT and Infrastructure needs

(System, Network, IT Security, End User Equipments, Installation and Configuration Services etc.)
